

## **Compliance action taken for childcare provision**

Ref: EY460966/4327708

Date: 22 October 2019

### **Summary of outcome**

Louise Yates- EY460966

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 3 September 2019, we completed an inspection where we identified that this provider was not meeting some of these requirements. We have served a Welfare Requirements Notice. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this.
