

## **Compliance action taken for childcare provision**

Ref: EY473739/4352971

Date: 18 October 2019

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2).

If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 9 October 2019, we received a notification from the provider. On 17 October 2019, we completed an unannounced visit and issued a notice to improve that requires the provider to take the action below within the timescale set out. The provider will be able to give parents further information about this.

Actions needed by 31 October 2019:

implement and follow an effective safeguarding policy, in particular to ensure that procedures regarding allegations against a member of staff are well known and that the role of the Local Authority Designated Officer is understood

improve staff knowledge and understanding of how to manage children's behaviour appropriately, taking their individual needs into account.

The provider remains registered with Ofsted.

The provider responded to our notice to improve by 31 October 2019. We found that the provider had taken appropriate action.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.
