

Compliance action taken for childcare provision

Ref: EY421215/4255971

Date: 14 October 2019

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework-2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 10 October 2019 we visited the provider and found that they were not meeting three of these requirements. We served a notice to improve. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this.

Actions needed:

- undertake effective risk assessments and swiftly remove or minimise any hazards that pose a risk to children's safety and welfare by 25 October 2019
- implement good hygiene practices and ensure that staff promote children's good health and hygiene needs during personal care routines, with particular regard to potty's and the changing area in the toddler room by 25 October 2019
- ensure staff receive effective supervision and support to enable them to understand their roles and responsibilities to improve their practice by 25 October 2019.

The provider has taken appropriate steps to meet the actions. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.
