

Complaint about childcare provision

Ref: EY563425/4374908

Date: 17 November 2019

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 5 November 2019, we received concerns that this provider was not meeting some of these requirements. Additionally, on 7 November 2019, the provider notified us of a related significant event. The notification means that the provider met their legal responsibility as set out in the early years foundation stage welfare requirements to notify Ofsted of any significant event which is likely to affect the suitability of the early years provider or any person who cares for, or is in regular contact with, children on the premises to look after children.

On 15 November 2019 we liaised with the provider about the concerns raised. We were satisfied with the action taken by the provider in response to the concerns and therefore no further action was required to be taken by us. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.
