

## **Compliance action taken for childcare provision**

Ref: EY460316/4338150

Date: 20 November 2019

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 9 August 2019 the manager of the provision notified us of an incident. The notification means that the provider met their legal responsibility as set out in the early years foundation stage welfare requirements. On 20 September 2019 and 12 November 2019 further concerns were raised to Ofsted. We conducted an unannounced visit on 20 November 2019 and was satisfied that the provider had taken appropriate action to meet requirements. The provider will be able to give parents further information about this. The provider remains registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.
