

## **Complaint about childcare provision**

Ref: EY487422/4385783

Date: 21 November 2019

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 20 November 2019, we received concerns that this provider was not meeting some of these requirements.

On 21 November 2019 we liaised with the provider about the concerns raised. We were satisfied with the action taken by the provider in response to the concerns and therefore no further action was required to be taken by us. The provider will be able to give parents further information about this. The provider remains registered with Ofsted.

### **Publication of complaints**

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints for five years commencing on the date we complete our investigation.

For further information about the complaints process please view the [Concerns and complaints about childminders and childcare providers leaflet](#).
