

Complaint about childcare provision

Ref: 254641/4272924

Date: 21 November 2019

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2.

If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 02 July 2019 we received concerns that this provider was not meeting some of these requirements. We completed a visit and found they had breached requirements relating to Child protection. However, the provider had taken prompt and effective action to rectify these breaches and so we took no further action. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.'

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints for five years commencing on the date we complete our investigation.
