

Compliance action taken for childcare provision

Ref: EY454398/4379317

Date: 22 November 2019

Summary of outcome

'All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 11 November 2019, the manager notified us that concerns had been raised regarding a member of staff. The notification means that the provider met their legal responsibility as set out in the early years foundation stage welfare requirements to notify Ofsted of a significant event. We carried out an unannounced visit on 18 November 2019. Following this visit, we are satisfied that the manager has taken appropriate steps to investigate the concerns and has sought and acted appropriately on advice from other professionals, including the Local Authority Designated Officer. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.
