

Compliance action taken for childcare provision

Ref: EY348582/4117252

Date: 3 December 2019

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 2 January 2019 we received concerns that this provider was not meeting some of these requirements. We visited the setting on 18 January 2019 and have issued a notice to improve. This requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed:

ensure supervision arrangements for staff including managers, are effective in providing the support, coaching and training staff need to fulfil their roles and improve their practice;

ensure staffing arrangements meet the needs of all children at all times so that staff are sufficiently deployed to meet children's needs and safety;

ensure children's behaviour is managed in an appropriate way; this specifically refers to supporting children to understand expectations for behaviour using positive and consistent methods;

ensure that a key person is assigned to each child in the early years age group so that their care is tailored to meet their individual care and learning needs;

ensure that you maintain an accurate attendance records for the children in your care.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.
