

## **Compliance action taken for childcare provision**

Ref: EY496965/4357743

Date: 1 November 2019

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 15 October 2019 we received concerns that the provider was not meeting some of these requirements. We have sent the provider a Notice to Improve which requires the provider to take the action below within the timescales set out. The provider will be able to give parents further information about this. The provider remains registered with Ofsted

Actions needed:

- ensure at least half of all staff in the baby room have received training that specifically addresses the care of babies. Due by 29 November 2019.

The provider responded to the notice to improve within agreed timescales. She told us that she had reviewed the qualifications of the staff in the baby room and could demonstrate through documentation that they have received training that specifically addresses the care of babies. We were satisfied with the action the provider has taken. The provider remains registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.
