

Complaint about childcare provision

Ref: 403458/4302591

Date: 15 October 2019

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 6 August 2019 we received concerns that this provider was not meeting some of these requirements.

We have served an action. This notice requires the provider to take the action below within the timescales set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Action needed:

ensure that there are effective systems in place to ensure that practitioners, and any other person who is likely to have regular contact with children, including those living or working on the premises, are suitable by 16 September 2019.

We received an appropriate response to the action from the childminder.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints for five years commencing on the date we complete our investigation.
