

## **Compliance action taken for childcare provision**

Ref: 2538535/4385451

Date: 19 December 2019

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 20 November 2019 we received a notification that this provider was not meeting some of these requirements. In particular, the requirements relating to safety, child supervision and risk assessment. The notification means the provider met their legal responsibility as set out in the early years foundation stage to notify Ofsted of any significant event.

We contact the provider on 21 November to discuss the matter.

We review the actions taken and found the provider had taken prompt and appropriate steps to ensure children are appropriately supervised at all times. We are satisfied with the actions taken by the provider to rectify the breaches of the welfare requirements and therefore it was not necessary for Ofsted to take any further action.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](http://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted).
