

Compliance action taken for childcare provision

Ref: EY428643/4363552

Date: 20 December 2019

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 22 October 2019 we received a concern from another agency. The provider also notified us of the concern on this same date. The provider met the requirement to notify us of significant events. The information received raised concerns that this provider was not meeting some of these requirements.

We have served an action. This notice requires the provider to take the action below within the timescales set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Action needed:

put in place effective systems to ensure that practitioners are suitable, in particular reviewing employment history and identifying whether a person is disqualified.

We received an appropriate response from the provider to the action.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
