

Complaint about childcare provision

Ref: EY481136/4293342

Date: 20 January 2020

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 29 July 2019, we received concerns that this provider was not meeting some of these requirements. We suspended the provider's registration because we believed children may be at risk of harm. Suspension allows time for the provider to take steps to reduce or eliminate the risk of harm to children.

The provider appealed to an independent external tribunal, the Health, Education and Social Care First-tier Tribunal and it did not uphold the appeal.

The provider subsequently resigned their registration before we were able to complete our enquiries and make a decision about the providers on going suitability. The provider is no longer registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints for five years commencing on the date we complete our investigation.
