

Compliance action taken for childcare provision

Ref: EY555538/4376966

Date: 21 January 2020

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 09 December 2019, the provider notified us that there had been an allegation against a member of staff. The notification means that the provider met their legal responsibility as set out in the early years foundation stage welfare requirements to notify Ofsted of significant events. We have discussed the information with the provider and as result of satisfied that they remain suitable for registration.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.
