

Compliance action taken for childcare provision

Ref: EY440061/4407911

Date: 24 January 2020

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at

www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find a provider is not meeting the requirements, we can take action to ensure they put matters right. On 17 December 2019 we carried out an inspection at the 115 Club St Luke's. The outcome of this inspection was that the provider was not meeting requirements. We served a welfare requirement notice. This is a legal notice that required the provider to take the actions detailed in the inspection report by 13 January 2020.

We carried out a monitoring visit and were satisfied with the action the provider had taken. The provider remains registered with Ofsted.
