

Compliance action taken for childcare provision

Ref: EY425660/4385534

Date: 30 January 2020

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 19 November 2019 the provider notified us of a significant event. The notification means that the provider met their legal responsibility as set out in the early years foundation stage welfare requirements to notify Ofsted of any significant event in relation to suitability of the premises.

On 22 November 2019 we received evidence from the provider that they are taking action to comply with environmental health requirements.

On 26 November 2019 we liaised with the provider and discussed the action they have taken to put matters right.

On 3 December 2019 we received confirmation that the premises are fit for purpose, suitable for the children being cared for and comply with environmental health requirements.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services

we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
