

## **Compliance action taken for childcare provision**

Ref: 400131/4408941

Date: 3 February 2020

### **Summary of outcome**

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with legal requirements.

We publish details on our website for a period of five years commencing on the date we complete our investigation.

For further information about this, please view the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](http://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted)

On 20 December 2019 the provider notified us of a safeguarding concern. The notification means that the provider met their legal responsibility as set out in the early years foundation stage welfare requirements to notify Ofsted of any significant events.

We are satisfied with the action taken by the provider.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.
