

## **Compliance action taken for childcare provision**

Ref: EY474392/4418424

Date: 16 January 2020

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2)

If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 7 January 2020 the provider notified us of a significant event. The notification means that the provider met their legal responsibility as set out in the early years foundation stage welfare requirements to notify Ofsted of any significant event.

On 9 January 2020 we visited the provider and issued a notice to improve. This is a legal notice that requires the provider to take the actions within the timescales set out. The provider will be able to give parents further information about this.

Actions needed by 30 January 2020:

ensure staff are vigilant and meet all children's individual care needs at all times;

comply with requirements of health and safety legislation in relation to hygiene requirements to prevent any cross-contamination, particularly during lunch time;

ensure all staff involved in preparing and handling food receive training in food hygiene.

We are satisfied with the steps taken by the provider. This will be assessed further at their next inspection.

The provider remains registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.
