

Complaint about childcare provision

Ref: EY279320/4401241

Date: 11 February 2020

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 10 December 2019 we received concerns that this provider was not meeting some of these requirements. We visited the provider to discuss the concerns and have issued a Notice to Improve. This is a notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted

Action required

improve the quality of behaviour management, ensure staff interventions help children to understand expectations and improve their behaviour

and

improve the quality of teaching, to help children engage in purposeful play that interests them and offers appropriate challenge.

On 31 January 2020 Ofsted received confirmation that the provider had taken steps to address the actions.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints for five years commencing on the date we complete our investigation.
