

## **Compliance action taken for childcare provision**

Ref: EY488508/4427283

Date: 11 February 2020

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage (<https://www.gov.uk/government/publications/early-years-foundation-stage-framework--2>) If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 15 January 2020 we received a notification from the designated officer for safeguarding at the local authority that raised concerns regarding the implementation of the setting's safeguarding policies and procedures.

We liaised with the designated officer and the provider. We found that the provider had taken prompt and effective action to prevent a re-occurrence. The action taken was to:

- provide additional child protection training for all staff (Child protection)
- implement a new electronic data gathering system for tracking concerns/existing injuries which links to leaders for monitoring (Child protection)
- review and tighten designated safeguarding lead/ deputising arrangements (Child protection).

We are satisfied with the action taken by the provider and no further action was required by Ofsted on this matter. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to

bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.
