

Complaint about childcare provision

Ref: EY286477/4427236

Date: 12 February 2020

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 16 January 2020 we received concerns that this provider was not meeting some of these requirements. We have sent the provider a letter. This requires the provider to take steps to ensure that all practitioners know the procedure to follow to report any inappropriate behaviour displayed by other members of staff, or any other person working with the children, by 13 March 2020.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints for five years commencing on the date we complete our investigation.

For further information about the complaints process please view the [Concerns and complaints about childminders and childcare providers leaflet](#).
