

Compliance action taken for childcare provision

Ref: 101487/4428846

Date: 31 January 2020

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 16 January 2020 we received concerns that the provider was not meeting some of these requirements.

We visited the provider on the 23 January 2020 and found that the provider was not meeting some of these requirements.

We have served a Welfare Requirements Notice. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give the parents information about this.

Actions required by 12 February 2020

Ensure that the committee fully understands their roles and responsibilities in relation to Ofsted including when Ofsted needs to be informed about new committee members and Ofsted's role in completing these checks.

Ensure that committee and staff responsible for checking whether people are suitable to work or have regular contact with children, fully understand what information they can ask for and how it may be shared and used to determine suitability in accordance with the requirements of the Early years foundation stage and other relevant legislation

The provider has taken appropriate steps and we are satisfied that the provider is meeting the requirements of registration. The provider remains registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
