

Complaint about childcare provision

Ref: EY544949/4438344

Date: 26 February 2020

Summary of outcome

All early years providers must meet the legal requirements in the [Statutory framework for the early years foundation stage](#). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 24 January 2020, we received concerns that this provider was not meeting some of these requirements. We visited the provider on 29 January 2020 and served a Notice to improve. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 21 February 2020

develop understanding of the changes that must be notified to Ofsted.

We are satisfied with the action taken by the provider.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints for five years commencing on the date we complete our investigation.

For further information about the complaints process please view the [Concerns and complaints about childminders and childcare providers leaflet](#).
