

Complaint about childcare provision

Ref: EY466871/4454790

Date: 5 March 2020

Summary of outcome

'All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 14 February 2020 we received concerns that this provider was not meeting some of these requirements. We made a visit to the provider and issued a notice of action to improve. This requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.'

Actions needed

ensure that you implement the guidance and procedures of the local safeguarding children partnership in the event of an allegation being made against a member of staff by 2 March 2020.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints for five years commencing on the date we complete our investigation.

For further information about the complaints process please view the [Concerns and complaints about childminders and childcare providers leaflet](#).
