

## **Compliance action taken for childcare provision**

Ref: EY553599/4472222

Date: 16 March 2020

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 28 February 2020, the provider notified Ofsted about an allegation against a member of staff. The notification means that the provider met their legal responsibility as set out in the 'Statutory framework for the early years foundation stage' to notify Ofsted of the allegations of serious harm or abuse by any person living, working, or looking after children at the premises. We liaised with external agencies and with the provider. We have sent the provider actions to improve. This requires the provider to take the actions below by 17 April 2020:

ensure that all staff have up to date knowledge of safeguarding issues and follow the correct procedure when they become aware of any inappropriate behaviour displayed by other members of staff;

improve staff induction, training and support, so all staff are clear about young children's age and stage of development, to promote the interests of children and to meet their needs.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.
