This inspection

The effectiveness of the home and the progress and experiences of children and young people since the most recent full inspection

This home was judged good at the last full inspection. At this interim inspection the home was 'not judged'.

This monitoring event was carried out by a telephone call to the responsible individual on 4 March 2020. During this call, it was confirmed that there have been no children living at the home since 28 October 2019.

The provider is changing the statement of purpose for the home and a manager and staff have been recruited to deliver the new model of support and care for children. These plans are well under way, and it is intended that the home will offer placements for children in the next few weeks.
