

Compliance action taken for childcare provision

Ref: EY295524/4479551

Date: 19 March 2020

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 16 March 2020 the provider notified us of an occasion when all the children were not within sight or hearing of staff for a matter of minutes. This notification means the provider met their legal responsibility as set out in the early years foundation stage welfare requirements to notify Ofsted of any significant event which is likely to affect the suitability of the early years provider or any person who cares for, or is in regular contact with, children on the premises.

We found that the provider had taken prompt and effective action to prevent a re-occurrence. The action taken was to:

- install additional fencing to ensure children are always within sight of the staff (safety and suitability of premises, environment and equipment)
- lock all additional exit gates and increase staff supervision of the one entry and exit gate which is used by parents and children (safety and suitability of premises, environment and equipment).

We are satisfied with the action taken by the provider and no further action was required by Ofsted on this matter. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years

commencing on the date we complete our investigation.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
