

Complaint about childcare provision

Ref: 511566/4491462

Date: 18 May 2020

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 1 April 2020 we received concerns that the provider was not meeting some of these requirements. We have served a welfare requirements notice. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this.

Actions needed by 4 June 2020:

improve your knowledge and understanding of the child protection procedures that you should follow in line with the guidance and procedures of the Local Safeguarding Children Board

improve your knowledge and understanding so that you are able to identify, understand and respond appropriately to signs of possible abuse and neglect.

The provider remains registered with Ofsted.
