

## **Compliance action taken for childcare provision**

Ref: 2516189/4445586

Date: 26 May 2020

### **Summary of outcome**

'All early years providers must meet the legal requirements in the 'Statutory framework for the early year's foundation stage', which you can find at <https://www.gov.uk/government/publications/early-years-foundation-stage-framework--2> If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 3 February 2020, we received concerns that this provider was not meeting some of these requirements. On the 20 May 2020 we spoke to the provider by telephone and reviewed all the information that was sent to us. We are satisfied that the provider has improved her knowledge and is now meeting the requirement for suitable people and that children are being cared for by people whose suitability has been checked.

The provider remains registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.
