

## **Compliance action taken for childcare provision**

Ref: EY500180/4310866

Date: 4 June 2020

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early year's foundation stage, which you can find at (<https://www.gov.uk/government/publications/early-years-foundation-stage-framework--2>). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 16 August 2019, we received concerns that this provider was not meeting some of these requirements. The provider had failed to notify Ofsted of a significant event.

Ofsted contacted the provider and discussed this matter with them. The provider will be able to give parents further information about this.

The provider remains registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](https://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted).
