

## **Compliance action taken for childcare provision**

Ref: EY246639/4460644

Date: 5 June 2020

### **Summary of outcome**

All early years providers must meet the legal requirements in the [Statutory framework for the early years foundation stage](#). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 24 February 2020, we received information that this provider was not meeting some of these requirements. We spoke to the provider on 5 March 2020 and served a Notice to improve. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 27 March 2020

implement effective recruitment and vetting systems to ensure that staff are suitable to fulfil the requirements of their roles.

We are continuing to monitor the provider's compliance.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.
