

## **Compliance action taken for childcare provision**

Ref: EY420991/4406083

Date: 10 June 2020

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework-2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework-2).

If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 17 December 2019 we received concerns that this provider was not meeting some of these requirements. We discussed this with the provider by telephone on 2 and 3 June 2020. We found that the provider had failed to notify us of a significant event that may impact on the suitability of a person living or working on the premises. This is a requirement of registration. We took no further action as the provider is now clear on this requirement should she need to notify Ofsted in the future.

The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.
