

## **Compliance action taken for childcare provision**

Ref: EY359470/4506449

Date: 10 June 2020

### **Summary of outcome**

'All early years providers must meet the legal requirements in the 'Statutory framework for the early year's foundation stage', which you can find at <https://www.gov.uk/government/publications/early-years-foundation-stage-framework--2>. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On the 5 May 2020, we received information that confirmed the provider was not meeting some of these requirements. On the 10 June 2020, we spoke to the provider by telephone. We are satisfied that the provider has improved her knowledge of matters that must be notified to Ofsted. The provider will be able to give parents more information about these matters.

The provider remains registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.
