

Complaint about childcare provision

Ref: EY478648/4469796

Date: 22 June 2020

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 4 March 2020, we received concerns that this provider was not meeting some of these requirements. The provider will be able to give parents further information about this.

We found that the provider had taken prompt and effective action to prevent a recurrence.

The action taken was to:

refresh staff's understanding of the nursery's risk assessment for children's use of scissors.

The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints for five years commencing on the date we complete our investigation.
