

Complaint about childcare provision

Ref: EY394417/4517108

Date: 1 July 2020

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 29 May 2020, we received concerns that this provider was not meeting some of these requirements.

We found that the provider had failed to meet their legal responsibility as set out in the 'Statutory framework for the early years foundation stage' to notify Ofsted of a number of significant events. The provider will be able to give parents further information about this. The provider remains registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints for five years commencing on the date we complete our investigation.

For further information about the complaints process please view the [Concerns and complaints about childminders and childcare providers leaflet](#).
