

Complaint about childcare provision

Ref: EY250687/4523110

Date: 3 July 2020

Summary of outcome

'All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 11 June 2020 we received concerns that this provider was not meeting some of these requirements. We suspended the provider's registration because we believed children may be at risk of harm. Suspension allows time for the provider to take steps to reduce or eliminate the risk of harm to children. We have issued a notice to improve. We have now lifted the suspension because the provider took appropriate action to deal with the matter that led to the suspension and we are satisfied that there is now no risk of harm to children. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.'

Actions needed

ensure that children are effectively supervised at all times and that you are not distracted from this supervision by the use of a mobile phone by 22 June 2020.
