

Complaint about childcare provision

Ref: EY460053/4449609

Date: 23 July 2020

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 7 February 2020 the provider notified us of a referral made to the LADO. The notification means that the provider met their legal responsibility as set out in the early years foundation stage welfare requirements to notify Ofsted of any significant event.

On 7 February 2020 we also received concerns that this provider was not meeting some of the requirements. The provider took suitable action to improve staffing levels, improved the cleanliness of the premises and refurbished the outside area.

The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints for five years commencing on the date we complete our investigation.
