

## **Compliance action taken for childcare provision**

Ref: EY454286/4531163

Date: 24 July 2020

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage'. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 30 June 2020, we received concerns that this provider was not meeting some of these requirements.

We visited the childminder and found she has had failed to notify Ofsted of a significant event. We discussed this breach with the childminder and acknowledge that she had overlooked the requirement to notify Ofsted. We are satisfied there was no intent to deceive Ofsted. The childminder remains registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.
