

## **Complaint about childcare provision**

Ref: EY463996/4357814

Date: 22 July 2020

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework-2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework-2).

If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 15 October 2019 and 14 January 2020 we received concerns that this provider was not meeting some of these requirements.

We have served a notice to improve. This notice requires the provider to take the actions below within the timescale set out. The provider will be able to give parents further information about this.

Actions needed by 5 August 2020:

ensure that staff know and understand the mobile phone policy and adhere to this at all times to keep children safe from harm

ensure that information is handled to protect the privacy of children in the setting and to maintain confidentiality.

The provider has responded appropriately to these actions.

The provider remains registered with Ofsted.

### **Publication of complaints**

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints for five years commencing on the date we complete our investigation.

For further information about the complaints process please view the [Concerns and complaints about childminders and childcare providers leaflet](#).
