

Compliance action taken for childcare provision

Ref: 2523666/4548711

Date: 5 August 2020

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure that they put matters right.

On 1 August 2020, the provider notified us about an incident that had occurred. The notification means that the provider met their legal responsibility as set out in the 'Statutory framework for the early years foundation stage' to notify Ofsted of any significant event which is likely to affect the suitability of the early years provider. The provider demonstrated that prompt and effective action had been taken to meet requirements and prevent a reoccurrence of the incident. The action taken was to:

-improve the implementation of risk assessments, particularly regarding security and children's safety in the outdoor areas.

Ofsted is satisfied with the action taken by the provider and no further action is required. The provider will be able to give parents further information about this. The provider remains registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
