

Compliance action taken for childcare provision

Ref: EY277588/4551360

Date: 6 August 2020

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at

www.gov.uk/government/publications/early-years-foundation-stage-framework--2.

If we find a provider is not meeting the requirements, we can take action to ensure they put matters right. On 28 October 2019 this provider was inspected and they were judged as inadequate. We served a welfare requirements notice. This is a legal notice that required the provider to take the actions detailed in the inspection report by 22 November 2019. We carried out a monitoring visit and found that the provider had taken appropriate action to improve safeguarding procedures within the nursery.

The provider remains registered with Ofsted.
