

Complaint about childcare provision

Ref: EY455816/4480263

Date: 14 August 2020

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 17 March 2020, we received concerns that this provider was not meeting some of these requirements. As a result of these concerns, the provider liaised with other statutory agencies and took action to meet their legal responsibility as set out in the early years foundation stage welfare requirements. Ofsted is satisfied with the action taken by the provider.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints for five years commencing on the date we complete our investigation.
