

Compliance action taken for childcare provision

Ref: EY492688/4495924

Date: 18 August 2020

Summary of outcome

On 9 April 2020, the provider notified us of a suitability matter. The notification means that the provider met their legal responsibility as set out in the early years foundation stage welfare requirements to notify Ofsted of any significant event which is likely to affect the suitability of the early years provider or any other person who cares for, or is in regular contact with children on the premises.

The provider took appropriate action.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
