

Compliance action taken for childcare provision

Ref: EY488863/4356533

Date: 21 August 2020

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

Over the course of three inspections in 2019, we found that this provider was not meeting some of these requirements. On 24 January 2020 we served a notice of decision to cancel registration. The provider appealed to an independent external tribunal, the Health, Education and Social Care First-tier Tribunal. During the hearing, the provider withdrew the appeal against the cancellation of registration.

The provider's registration is therefore cancelled and they are no longer registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.
