

Compliance action taken for childcare provision

Ref: EY361931/4532580

Date: 18 August 2020

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 2 July 2020 the provider notified us of an incident. This notification means the provider met their legal responsibility to notify Ofsted of any significant event which is likely to affect the suitability of the early years provider or any person who cares for, or is in regular contact with, children on the premises. The provider will be able to give parents with further information about this.

We asked the provider to take action to improve.

Action requested by 14 September 2020:

improve knowledge and skills to help identify and respond to specific safeguarding matters, in particular; substance misuse, child exploitation and issues linked to this, such as 'county lines'.

The provider has undertaken a wide range of research and training to extend her awareness of wider safeguarding issues. We are satisfied with the action taken by the provider.

The provider remains registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services

we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
