

Compliance action taken for childcare provision

Ref: EY471520/4552491

Date: 19 August 2020

Summary of outcome

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the [Statutory framework for the early years foundation stage](#). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 4 August 2020 the provider notified Ofsted of a significant event and the action they had taken. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events. On 12 August 2020, we carried out a regulatory telephone call. We found the provider was not meeting one of the requirements. We have issued an action for the provider to take within the timescales set out below. The provider will be able to give parents further information about this.

Action needed by 26 August 2020:

ensure appropriate action is taken in the event of all allegations against members of staff in line with the Local Children's Safeguarding Board.

We are satisfied the provider has met the safeguarding and welfare action raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our

responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.
