

## **Compliance action taken for childcare provision**

Ref: 316020/4547754

Date: 8 October 2020

### **Summary of outcome**

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society.

All early years providers must meet the legal requirements in the [Statutory framework for the early years foundation stage](#). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 1 October 2019, we carried out an inspection and found the provider was not meeting some of these requirements. The overall effectiveness of the provision was judged to be requires improvement. The inspection report sets out the actions the provider was asked to take to meet the requirements.

On 6 October 2020, while routine inspections were suspended, we carried out an interim visit. The focus of the visit was to check whether the provider had met the safeguarding and welfare action, raised at their last inspection. We found that the provider had taken steps to improve the cleanliness and general repair of the premises. Toys and equipment had been audited and cleaned, some of the walls had been freshly painted and surfaces had been cleared. Children's bathroom facilities had been cleaned, repaired and were in full working order at the time of the interim visit. The provider had implemented procedures to help her ensure all staff were aware of their roles and responsibilities. This helps her ensure that the premises and equipment are fit for purpose, clean and safe, and promote the well-being of children at all times.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

## **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
