

Compliance action taken for childcare provision

Ref: EY470064/4575448

Date: 15 October 2020

Summary of outcome

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 11 September 2020, the provider notified us that a significant incident occurred at the setting. The notification meant that the provider met their legal responsibility as set out in the 'Statutory framework for the early years foundation stage' to notify Ofsted of significant events.

On 29 September 2020, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued the following action for the provider to take within the timescales set out. The provider will be able to give parents further information about this.

Action needed by 12 October 2020:

strengthen risk assessments to ensure they are effective in identifying and minimising potential hazards and risks to children.

The provider has made the required improvements. Therefore, the action is now complete and closed. No further action.

The provider remains registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
