

## **Complaint about childcare provision**

Ref: EY464874/4569592

Date: 13 October 2020

### **Summary of outcome**

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years and childcare providers in England have delivered child-centred practice and care, within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 4 September 2020, we received concerns that the provider was not meeting some of these requirements. On 9 September 2020, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 29 September 2020:

ensure Ofsted are informed about any significant events or changes to household members as soon as possible and no later than 14 days after the changes occur

ensure public liability insurance is always in place.

### **Publication of complaints**
